From you group/organization's perspective, is there a need for a new arena in Beaumont?	From you group/organization's perspective, is there a need for a new arena in Beaumont? [other]
Yes	
No	There are 2 already so the "need" is already being met, it's now a want for more.
No	
No	
Yes	a multiplex for racquet sports - indoor tennis, badminton, squash, and tabletennis
Yes	Personnaly, my son had to go to millet for pratices!
Yes	Desperately need
Yes	Anything that increases space for community/youth activities

Not Sure	
Yes	arena de patinage
Yes	I have heard ice time is difficult to get.
Yes	
No	
No	There are more activities in this town than hockey and ringette
No	Classes do not use the arena.
Yes	Huge demand....ice could be booked year round!!!

Yes	Would allow for more freedom to move game slots as per League requirements and host large events such as provincials.
No	
No	From our perspective, the community needs more space for indoor programs such as Taekwon-Do, dance, etc.

From your group/organization's perspective, is there a need for indoor field facilities to be developed in Beaumont?	From your group/organization's perspective, is there a need for indoor field facilities to be developed in Beaumont? [other]
Yes	
Yes	The need for a proper facility of this nature has been denied for years.
Yes	arts centre
Not Sure	
No	
Not Sure	
Yes	Needed for all sports, and kids in town
Yes	Beaumont continues to grow. Demographic bulge is young families

Yes	
Yes	gymnasium sports.
Yes	If you also are including soccer here...YES!! We would use it alot!
No	
Not Sure	If access to the space was readily available for short periods of time much like we have access to the running track at the LRC for 15 minutes/group/practice then yes.
Yes	town is expanding and there is no place to host tournaments, banquets, seminars
No	
No	

Yes	The Chiefs may incorporate, at the coaches discretion, an off ice fitness program.
No	
Yes	Our organization's growth and ability to reach more members of our community is limited by the shortage of suitable space. There are many community groups (martial arts, dance, etc.) who would benefit from more gymnasium space.

Currently how many hours of ice time, if any, does your group/organization book in facilities outside of Beaumont? Zero	Depends on coach philosophy, but could be an option.
not applicable	not applicable
20 to 30 hours per year	At least an additional 5 hours per week

Based on expected participation and programming needs, how many more hours of indoor field time, if any, would your group/organization utilize in the coming 3-5 years?	Do you have any additional comments to make concerning the potential development of an arena or indoor field facilities at the Aqua Fit Centre site?
Zero	It's about time. My children are already grown up but an indoor facility would have been great for their soccer teams. Also, our youngest played rugby for three years in high school and a place to play, even indoors, would be nice. I have requested several times in the past that the town provide a track field. This need has been sadly neglected and does not require a costly facility.
unsure - based on enrolment	It would be good if there were a new arena for it to be at a different location than the current ones. This section says financial considerations, but the question has nothing to do with that. Financially, our taxes in Beaumont are high enough. I really have a hard time supporting any new projects if this impacts taxes.
about 4 hours	Please try to make it a well-integrated facility, where Aqua Fit Centre is seen as a facility independent of the new Arena.
10	Population of Beaumont is growing fast and have a lot of young family with kids. It is essential to offer those kids all the facilities they need.
ZERO N/A	NO, BUT THANK YOU for all of your time and efforts on this

up to 50% of our pool time	
2hours	no comment
Our indoor program grew by 20% last season and we anticipate continued large growth.	Beaumont Soccer would really benefit from a facility that had a indoor field and so would our community.
0	
Same as above	It would be a great loss for the swimmers if the pool had to close for an extended period of time to allow for construction. If this needed to happen the time between June 20th and Sept 30th is not only the best time but essentially the only time we can accommodate it without losing athletes to Edmonton area programs.
0	It would benefit BKDI and other organizations if there were multi-purpose rooms built onto the Aqua Fit Centre.
None	No
0	Ice is of a huge demand here in Beaumont, many organizations not just ours have a lack of ice. Not only an extra arena is needed but it needs to be a year round ice facility.

<p>Depends on coach philosophy, but could be an option.</p>	<p>As a long time Beaumont resident, involved in the original BRAC Two proposal, this community needs to move forward on both of these initiatives. Obviously the Aqua fit land is not big enough, so if the choice is to be made, I would go with the hockey rink with a track above it and have the Aquafit attached as their rooms might be better used towards off ice training. There needs to be a larger approach towards combining rinks, soccer fields and fitness courts.</p>
<p>not applicable</p>	<p>We would love to be able to use a facility but cannot due to insurance issues</p>
<p>8 to 10 hours per week</p>	<p>Hockey and soccer are probably the largest groups in Beaumont, but there are other community groups that need the Town's support.</p>
