

Regular Committee of the Whole Meeting Notes

September 20, 2022

Draft Digital Master Plan (4:03)

Committee members received a [progress update](#) on the City's Digital Master Plan. The plan will guide the City's work to use data and technology to enhance services to citizens and improve operations.

Beaumont Library Strategic Plan (22:56)

Committee members received a presentation regarding the [Beaumont Library's 2022-2026 strategic plan](#).

Traffic Safety Bylaw and Automated Traffic Enforcement Review (49:24)

Committee members [received an overview](#) of a review of automated traffic enforcement and the City's Traffic Safety Bylaw, which governs RV parking, playground and school zones, dangerous goods routes, and other aspects of traffic in the City. Proposed changes to the bylaw and recommendations for automated traffic enforcement are expected to be presented to Council in November following the review and engagement with the public.

Community Standards Bylaw (1:05:50)

Committee members deliberated [proposed changes to the Community Standards Bylaw](#) that governs issues such as public behaviour and the maintenance of unsightly properties. The proposed bylaw will be amended based on the committee's feedback and presented to Council at a later date for further deliberation and approval.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
