

Regular Committee of the Whole Meeting Notes

November 15, 2022

Land Use Bylaw Review (4:46)

Administration [presented the results](#) of a review and public engagement of Land Use Bylaw-related concerns, including parking limits, additional suites, and home-based businesses. The Committee voted to continue discussing the review at a Committee of the Whole meeting on December 20.

Recreational Facility Allocation Policy (1:53:52)

Administration [presented a draft policy](#) setting out how recreational facility schedules are allocated among user groups and activities. The Committee referred the policy to Council for approval.

Customer Service Enhancement (0:21) [Part 2]

Administration [presented the details](#) of an initiative proposed in the 2023 budget that would enhance customer service for residents, businesses and other stakeholders in the community. The Committee received the report for information.

Traffic Safety Bylaw and Automated Traffic Enforcement (35:23) [Part2]

Administration [presented the results](#) of public engagement regarding the City's Traffic Safety Bylaw that governs dangerous goods routes, parking, and other road use issues. The Committee votes to continue discussion of the bylaw, along with a public engagement and review of Automated Traffic Enforcement, to a Committee of the Whole Meeting on December 20.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
