

Regular Council Meeting Notes

February 14, 2023

Consumption of Alcohol in City Park Picnic Spaces (4:33)

Council [approved a pilot project](#) that would let adults consume alcohol in a limited number of picnic sites in Four Seasons Park this summer. The project includes public engagement and Council will hold a public hearing prior to the pilot proceeding.

Public Participation Policy (24:05)

Council [reviewed updates to the Public Participation Policy](#) that guides the City's public engagement activities and directed administration to include the role of the public and consider aligning the description of types of engagement with the International Association of Public Participation's model.

Joint High School Site (0:09) [Part 2]

Council voted to provide a letter of commitment to the STAR Catholic and Black Gold school boards confirming the City's plan to provide a joint high school site, including the location, by the spring of 2025. Council also voted to postpone a discussion about the project with representatives from the boards.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
