**Engineering Bulletin**  
**Subdivision Inspection Fee Changes**

---

The City of Beaumont Engineering department will implement an updated fee schedule as per the City's 2023 Fee and Charges Bylaw 1025-22, which became effective January 1, 2023.

**The following inspection fee schedule applies for the 2023 year:**Subdivision Inspection Fees:

- CCC and FAC Re-inspection fees, for all inspections beyond 1<sup>st</sup> inspection - **\$500**
- Proof Roll Re-inspection fees, for all inspections beyond 2<sup>nd</sup> inspection - **\$250**

Existing Development Fees cover:

- **Proof rolls** - **1** Proof Roll Inspection, **1** Proof Roll Re-inspection,
- **CCC Inspections** - **1** CCC Inspection
- **FAC Inspections** - **1** Pre-FAC inspection, and **1** FAC inspection.

Additional inspections will require additional payment, as listed above.

Re-inspection fees can be paid at the City hall reception or via credit card authorization form prior to scheduling additional inspections.
