

Regular Council Meeting Notes

June 25, 2024

Affordable Housing Options

Administration presented a report outlining options for affordable housing development in Beaumont. Council authorized Administration to consult with the Leduc Regional Housing Foundation regarding an affordable housing project similar in scope to the Gaetz Landing development in Leduc.

Recreation Centre Reduced Rate Options for First Responders and Veterans

Administration presented a report outlining options to provide a reduced rates at the Beaumont Sport and Recreation Centre for first responders and veterans,

Winter Lighting and Decorations for Centre-Ville Park

Administration presented a report outlining options for lighting and decorations during the winter at Centre-Ville Park. Council requested that the cost of lighting trees in the park be brought forward for consideration in the 2025 budgeting process this fall.

Land Use Amendment

Council passed the first of three votes to make changes to the Land Use Bylaw that would reduce that number of additional dwelling units on residential property from three, along with other measures to address street parking concerns.

Please note: these summaries are not an official record of council meetings. Official minutes are posted online once they are approved during a subsequent meeting.
