Our Growing Community

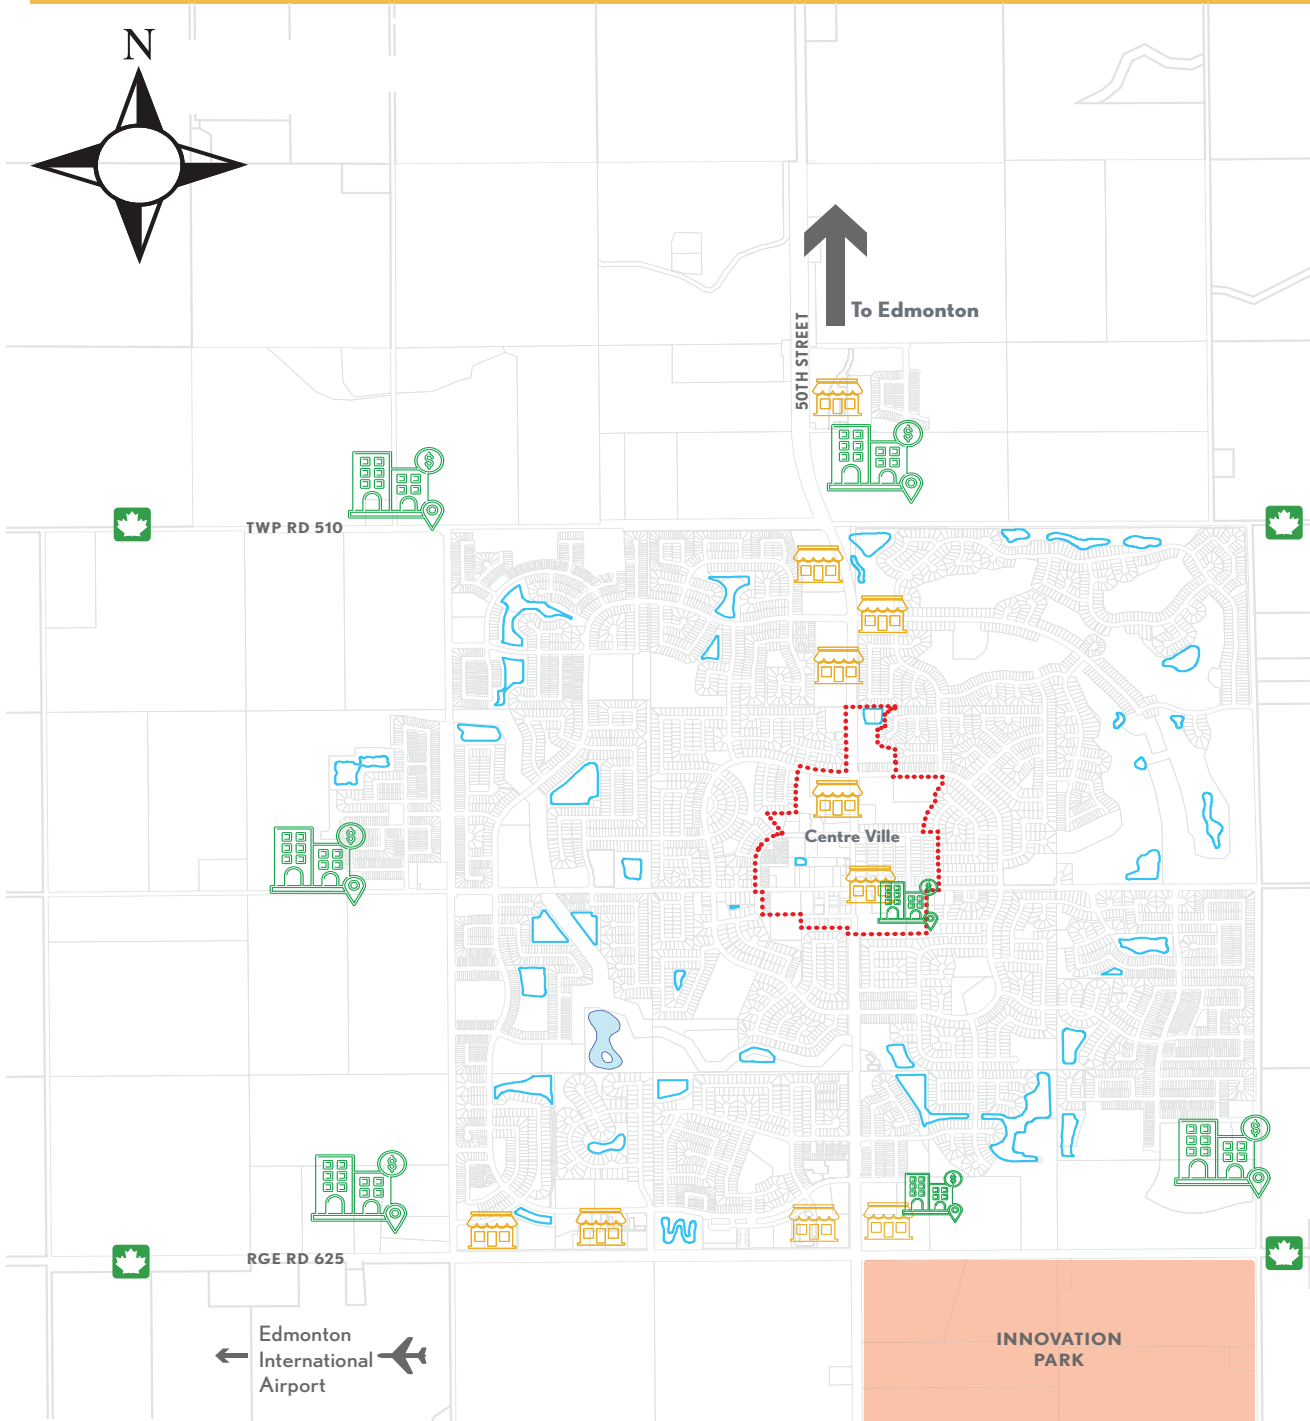

Welcome to Western Canada's third-fastest-growing community and the fastest-growing city in the Edmonton Metropolitan Region. We have tripled in size over the past 20 years with an average annual population growth of 5.5 per cent, and we are projecting to reach 31,000 residents by 2030.

New Commercial Developments

Beaumont's Centre-Ville redevelopment strategy is creating a charming urban core in the heart of the community. Infrastructure enhancements, improved streetscapes, and multi-story mixed-use residential buildings make this a vibrant dynamic city for living and commerce. Our main street is a lively and walkable area with free parking.

Elevate your business in our newest neighborhoods where opportunity is on the rise in every quadrant of the city. They aren't just places to live—they're thriving areas ready for your next commercial venture. These expanding districts are great locations with strong market potential, making them ideal for your business to succeed in the long term.

High Incomes and a Strong Consumer Base

Our financial strength and consumer purchasing power create promising market potential for commercial and retail opportunities.

Our residents state a strong preference for shopping locally when provided with appealing products and services and there is significant untapped potential for commercial and retail growth. In 2025, residents spent over \$1 billion on commercial goods and services. Based on a 2023 market analysis, residents spent 25% of this in Beaumont.

Our consumer base expands well beyond the city's borders. In addition to our fast-growing population, Beaumont also serves a much larger trade area of over 70,000 people including neighbouring communities.

Residents' earnings exceed the provincial and national average, with an annual median household income of \$169,000 and an average of \$128,000 spent on consumer goods each year.*

A City on the Move

Development is taking off, with the value of permits increasing an average of 27 per cent each year since 2020. In 2025, development permits reached \$198 million, exceeding \$100 million for the fourth consecutive year.

Forty five new commercial and commercial improvement permits were issued in 2025 for a value of \$14 million.

Highly Skilled and Educated Workforce

Forty per cent of our residents are employed in a natural resources, sciences, trades, manufacturing, or utilities related career. More than 64 per cent of residents have strong competencies and skillsets through apprenticeships, trades, and college certificates, which means employers will not have to look far to find a skilled workforce.

A Warm, Welcoming Community

Beaumont welcomes people from all walks of life and is dedicated to creating an inclusive community where everyone—residents and businesses alike—feels a sense of belonging.

Innovation Park

Beaumont's Innovation Park is a place for bright minds to pursue bold ideas. The Alberta Motor and Transport Association plans to establish a best-in-class campus to anchor the Innovation Park, supporting commercial transportation, law enforcement training, and technological advancement, which will attract other developments, businesses, and institutions.

Located only 15 minutes from the Edmonton International Airport, this district is strategically located with direct access to the CANAMEX trade corridor and Queen Elizabeth II Highway.

As the Edmonton Metropolitan Region gains international recognition as Alberta's innovation centre, the Innovation Park will be a magnet for additional investment and economic growth, creating employment and spin off opportunities for the city, and the region.
