

Notice of application to be filed for approval to renew the franchise agreement between the City of Beaumont and Apex Utilities Inc.

Application summary

Apex Utilities Inc. will file an application with the Alberta Utilities Commission, requesting approval to renew its franchise agreement with the City of Beaumont.

The franchise agreement will continue to grant Apex Utilities Inc. the right to deliver natural gas to residents of the City of Beaumont. The franchise agreement is proposed to be effective on August 26, 2025, expires on August 25, 2035, and includes an option for renewal. The existing franchise agreement was previously approved by the Commission in Decision 20713-D01-2015.

The franchise agreement renewal includes a franchise fee to be collected by Apex Utilities Inc. and remitted to the City of Beaumont. The proposed franchise fee is 28.50 per cent, which is the same as the existing franchise fee of 28.50 per cent. The franchise fee percentage is applied to the distribution tariff, typically consisting of both distribution and transmission charges. Based on the typical monthly consumption of 11.25 gigajoules, the average monthly franchise fee paid by an average residential customer is expected to remain the same at \$28.00.
